## TECHNICAL SKILLS

Express, React, Redux, JavaScript, HTML, CSS, Node.js, PostgreSQL, Ruby

---

## PROJECTS

### Ruto

[Live](#) | [GitHub Repo](#)

Fullstack clone of Turo using: React, JavaScript, HTML, CSS, PostgreSQL, Google Maps Platform

- Developed two comprehensive CRUD (Create, Read, Update, Delete) features within the application, enhancing interactivity and functionality.
- Implemented full user authentication, ensuring secure access and user data protection.
- Integrated the Google Maps API, allowing for dynamic map displays and location-based services.

### Rhythm Realm

[Live](#) | [GitHub Repo](#)

Collaboratively developed a Spotify clone within one week using: Python, React/Redux, Node, AWS, HTML, CSS

- Engineered a full-featured music streaming platform, allowing users to upload, manage, and play songs and albums.
- Integrated comprehensive search capabilities to locate songs and artists.
- Achieved real-time audio processing and display using react-h5-audio-player.

### Cozy Corners

[Live](#) | [GitHub Repo](#)

A Airbnb inspired web application using: PostgreSQL, Vanilla JavaScript, React/Redux, HTML, CSS

- Designed and normalized a relational database schema to optimize data storage and retrieval for a rental service model.
  - Implemented JWT-based authentication to secure user sessions and protect sensitive data.
  - Developed RESTful API endpoints for robust user and property management, supporting comprehensive CRUD operations on rental listings.
- 

## WORK EXPERIENCE

### Assistant Manager

Jan 2022 – Mar 2023

Pamex Inc., Chino, California

- Managed logistics systems, including budget evaluations and performance analyses, while staying compliant with U.S. Customs regulations and negotiating contracts to maintain competitive rates.
- Assisted in the development of new software systems with the IT department, enhancing departmental operations and technological capabilities.
- Trained new assistants and actively participated in management meetings to drive strategic departmental initiatives and decision-making.

## Shipping Assistant

Aug 2020 – Dec 2021

Pamex Inc., Chino, California

- Managed all aspects of shipping including invoicing, overseeing safe and timely transport of goods, and coordinating activities for various shipment types such as Will Call, parcel, LTL, and TL.
  - Assisted other departments to ensure seamless operations and resolved any shipping-related issues or customer complaints.
  - Reviewed and adjusted transportation invoices as necessary to maintain accuracy and cost-effectiveness.
-
